

Oregon Coast Aquarium

The Local Ocean Café at the [Oregon Coast Aquarium](#) menu emphasizes fresh, local seafood, incorporating seasonally available seafood into fresh salads, hot and cold sandwiches, soups and entrees. The menu also includes many non-seafood and vegetarian items, pizza and a special kids menu.

We also have special group lunch packages from the cafe. We offer boxed lunches to go and special fixed-price meals in the restaurant to make meal planning a breeze. For more information [email us](#) or give us a call at 541-574-7959.
